Principal's Report

Welcome back to 2017!

It has been a really positive start to the year, with the children settling quickly into their new classrooms and routines. We have begun the year with 461 student enrolments and have welcomed over 60 new students and 8 new staff members to Tanunda Primary School.

We will officially welcome our new students and staff at a whole school assembly this Friday which will be held in the Courtyard at 9.00am. We hope to see you there.

Meet & Greet Night

We will be holding a “Meet & Greet Night on Monday February 13th. This is an informal evening designed to give families a chance to:

- Meet the class teacher & see your child's classroom
- View some of their early work
- Receive general information from class teachers about the routines, expectations and program
- Interact with other families from your child's class

Further information about the evening will be sent home next week.

Information update

During the holidays, families should have received a request to update any changes to personal details (eg phone numbers, address or emergency contacts) for 2017. Please advise the front office of any alterations as soon as possible. Thank you.

Arrivals & Departures

Just a reminder that there is no yard or classroom supervision before 8.25am each day. Any children arriving before this time need to be supervised by their parents in the yard until the first bell rings.

If you need to collect your children prior to the end of day, please visit the Front Office prior to collecting your child from their classroom. You will be given a yellow Early Dismissal Advice slip which needs to be given to the class teacher when you collect your child from the class. Please ensure you allow enough time to follow this procedure, as the class teacher may have information they need to share with you prior to you child leaving the school. Thank you.

Canteen Update

Unfortunately, the TPS Canteen tender, which was advertised at the end of last year, did not attract a successful applicant. As a result, we are unable to reopen our canteen at this stage. Subsequently, we will continue with our lunch ordering system from 2016, and have placed a lunch order form on the reverse side of this newsletter.

Annual General Meeting

Our AGM for 2017 will be held on Wednesday March 15th this year. All families are welcome to attend this meeting, which will be held in the staffroom at 7.00pm.

Questions & Concerns

Please know that we are always happy to answer any questions or discuss any concerns that you may have. In the first instance, please make a time to see your child's teacher so they can assist you and direct you to the appropriate person if needed. Thank you,

I look forward to catching up with you soon,
Kind regards, Michelle
